2019 COUNTY ROADS PINOT NOIR ROSÉ

TASTING NOTES

Light boysenberry in colour, here is a brightly articulated spinal column of expressive red fruit. Expect vibrant and lifted cherry/ berry freshness crafted in a crisp, dry tangy style, leading to a savoury-edged finish.

Doté d'une robe rose légèrement pourprée, notre premier pinot noir rosé développe un nez plein de fruits rouges. En bouche, on se regale de saveurs de cerise et de petits fruits à baies rouges. Une fraîcheur légèrement acidulée et une agréable rondeur en final.
