cheddar, gorgonzola

CELLARING TIPS

Will be drinking very well in 3+
years

2020 FOUR ACRE MERLOT

TASTING NOTES

RICH and COMPELLING

Magenta with a garnet tint, the nose is greeted with a savoury herbal blend of thyme, sage and bay leaf : a bouquet garni for the senses with a background of black fruit (cherry, plum, berry). In its youthful state, structure rides over fruit presence. Upon aeration, ripening red and black fruit find their way in the glass and unfold on the palate abetted with surprisingly moderate tannic structure. Carafe 2 hours before service.

Notre merlot développe des arômes de fruits noirs (cerise, prune) mais aussi floraux tels que la sauge et la feuille de laurier. Des vrais senteurs de garrigue! Un vin jeune mais dont les tannins sont déjà bien intégrés aux saveurs fruitées. Ne pas hésiter à le décanter avant de le déguster.
