## TEAM BUILDING EXERCISES

### Wine O'Clock

Bring your team on a guided tour across beautiful (and Insta-worthy!) landscape of Prince Edward County. You get to pick when you leave and when you depart for this lovely adventure, visiting up to 5 wineries and/or breweries along the way.

### Sommelier for the Day

Let our winemaker Frédéric Picard enchant your team with tales told in the barrel cellar of how oak impacts wine and how people have used this throughout history. Then work to come up with the perfect blend of which you will all get to take home a bottle!

### Chez Huff

Get your hands dirty - or at least get them saucy - when your team joins Chef Lynne in learning how to make wood-fired pizza. Tricks of the trade will be served with top points for the craziest culinary creation that still tastes good!
