TASTING NOTES

Looking for a shock of refreshment? It's here! Well-chilled our new Sip Sip sparkling offers peach, lychee aromas, a wisp of white flowers with lime zest and recurring stone fruit on the palate. Et Voila!

Légèrement pétillant, ce vin offre des arômes de pêche jaunes et de lychee avec des notes de fleurs blanches. Des saveurs récurantes de fruits à noyaux et de zeste de citron vert. A boire bien frais cet été!
